Safe , convenient and effective photon energy technology

This brand series is developed and designed by Dr. Tai (Chen-Jei Tai, M.D., Ph.D.),who specialised on both Eastern and Western Medicine.

The utilisation of low-level light therapy(LLLT) treatment on scalp facilitates the effects of better sleep, overall health care and scalp-rejuvenation.

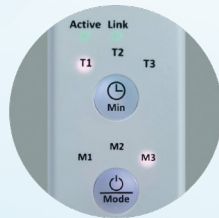

It's a grand innovation of personal-care in safety and comfort.

Intuitive interface, casual health-care

Switching treatment mode on controller

- M1: Sleeping mode (basic)
- M2: Health-care mode (intermidiate power)
- M3: Scalp-care mode (intensive)
